“ *Jim, Brenda, Wanda, Carolyn, Debbie, Keith and to the rest of the family,*

We were out of town for the Thanksgiving holiday and we did not get back until late last night. When I seen Carolyn post on Facebook my heart was saddened to hear of your sweet precious moma passing. I know first hand the feeling of loosing your mom. I to lost mine this year on April 2, 2017. With that being said, I know that your mom is rejoicing in heaven today along with my mom. I'm so sorry that Donnie and I were out of town and could not attend the visitation or the service. Our thoughts and prayers were with each and everyone of you all. We lived beside of your mom and dad and they were. The best neighbors ever. They both treated us with abundant love. We got to know each and everyone of you all, even though that has been many years ago, we will never forget your parents or you all. We pray for strength for each and everyone of you all in the days to come. Your mom like my mom was an angel here on earth. Now she is a heavenly angel.

Love and Prayers,

Donnie and Louise Horn

“ We have lost a sweet sister in the Lord. Helen was so special in different ways to all of us who knew and loved her. Her precious and warm smile was such a blessing. She was a "Blessed Mother," you can tell that by the love shown by all the family members. Heaven is a more precious home today, than it was yesterday, because of Helen's presence. She was greeted by love ones who went home before her. She has seen, face to face, her Saviour...what an awaited blessing. May God wrap each family member in His Amazing Grace today and in days to come. Fill your days with all those precious memories you made with Helen. We all grieve with you at this sad time. Always remember she will always be watching over you, for a Mother's love never ends; that kind of love is only strengthened in the presence of God. Love and Prayers, Charlotte and Harry Robinett.
