“ Through Love and friendship Helen and her family became a part of our family when I was a child living on Jewell Ridge Mountain. Her home was one that you always felt welcome to walk into. For years she came to Letcher County to join our family on memorial day. We all loved her and admired her for her good heart and kind spirit. I will always remember her as a hard working person that enjoyed life and people. I will join the Wimmer family to pay tribute to an exceptional woman. God rest her loving soul!

“ Having known Helen has made me feel so blessed. She was not just my friend, I loved her as my sister in law. She was a part of our family for many years and I know my family loved all the Wimmers as our family. Teddy and Helen had a special love and we all saw that. Rest in peace Helen and know that I will miss our late night talks. You were a very special lady. Mom told me I was a lot like you because I cooked a lot. That was the best compliment I could get. You will be missed and you really had a lot of friends. I love you Helen. You were the best!!!!

“ Like a lot of cousins, we didn't see enough of each other. One of the great things about the sweet by and by tho, is that we have another and better time to correct that. Be seeing you Helen. God makes all things possible and better.
