I'm so sorry for your loss. I worked with Herb for a short time at Caterpillar on the Mining side. He was such a wonderful person to talk to and learn from. He was always my "go to guy".

You will be dearly missed Herbie. Until we meet again.

Go rest high

“ I worked with Herbie back in the "DBT Days" and through the Bucyrus and Cat days. He was such a great guy; always anxious to help and so knowledgeable. We've been telling our "Herb" stories for the last several days at work and he touched so many people...he will be greatly missed.

My thoughts and prayers to his family.

RIP, Herbie...we will see you when we all get home!!

Herbie will be remembered by Tom and I. He was one of those rare people you meet that possessed that soul and heart goodness. Every time we talked to him it was as if we all were still close as we were many years ago. He was always the same every time, laughing and joyful. There will be a spark of light that will remain on this earth in the hearts of those that had the priveledge to know him for he was a light, a kind, loving, bright light. Prayers for all that loved him. Tom and Angelia
