“ *Dearest Leisha & Family,*

*I was so sorry to hear about the loss of your dad. It is always so difficult to live so far away when you need to be there for your friends. You were right there for me when I lost my dad and I will never forget that. Even though I won't be able to come in for your dad's service my thoughts and prayers will be with you and your family. I will never forget the first time I met your dad as you took me on my first visit to the mountain. Your dad was a very sweet man and I know he is now in heaven with all of the other angels. Leisha you have been my friend for many, many years--you have always been my little guardian angel--i may not be your guardian angel but i am here if you need anything. You are all in my thoughts and prayers.*

*Love,  
Deana*
