“ My Dear Sweet Uncle Heze,
For as long as I can rememeber you and Aunt Akert were apart of
my life,from a little girl following you around wanting to be just like
you and do everything you did,it could be flipping over rocks looking
for waterdogs and crawdads or asking for a chew of Redman,and
what would you do? give it to me!! Even in my adulthood it was
nothing to see you and Aunt Akert wherever I would go, a family
function or the flea market just everywhere.You were the best uncle
anyone could have,I will forever hold our memories we made
together close in my heart and all the things you made me out of
wood will always be an heirloom in my little family.Thanks for all the
advice and love and support you gave me all my life!!!! With great
sorrow and much love,you will be missed by many..God Bless You
LOVE TAMMY
