“ Pam and Patsy, I am so sorry about Inez. I have heard things have been rough for her for several years now. I remember her when we were growing up. I can remember how happy and proud she always was of Jr., David and Kim. Please know that all of ya'll are in my thoughts, my heart and in my prayers.

“ She was my dearest and best friend as a child and I loved her dearly. We emailed while she was able , and I know she is with the Lord.. I know you all will miss her. David she was so proud of you .

We will see her one day in heaven , and we will be up there with the stars we use to count as children..

“ We have wonderful memories of Inez as we were neighbours and childhood friends growing up in Squire. We were always at our house or hers as children and teenagers...We were in touch these last few years by email when Inez was at home and we talked some on line. We were blessed to have a friend like her. We know from her testimony that we will see her again in Heaven. May the Lord bless the family. Our prayers are with you.
