“ My dear Mom my heart aches this morning for you. My heart is heavy, my tears cant stop. I love you so much. On earth, you are here no more, but in Heaven you are a beautiful Angel standing with Dad. He went just 19 days before you to prepare a special place for you because he wanted it to be so special when you got there. I find comfort in knowing you are hand and hand with him and that you will be together with him on your wedding anniversary in August. God gave you 60 years together and now you both have an eternity. I have your precious son with me because God knows how much I need him and how much I love him. I promise to take care of him and comfort every heart ache that he has. The days you were able to speak, your final words you said to us was "Just Love Me" In that I find comfort and it shows to me, you were always the beautiful Mom and loving person we knew you was. Always loving you.
