“ *Dear Patricia and family,
I wanted to express my sympathy to you on the death of your mother. When I read your message to the church about her death, I just sat and cried. Of course, I did not know her, but I'm sure if she was anything like you she was a precious person. The kind words you wrote about her were so touching, especially about her singing to Whitney as a baby. My thoughts and prayers are with each of you.*

*Love,
Cathy*

“ *Hurt family,*

We were so sorry to hear of the loss of your mom. Although I never personally got to meet Mrs. Hurt, Jim has told me of numerous stories of when the Hurts were neighbors with the Kellers'. Just know that all of you are in our thoughts and prayers! We love you all!
