“ *Jane and Family, just wanted to let you know that all of you are in my thoughts and prayers. I know how hard this is on you, being Daddy's little girl. There's a bond a daughter and father share that is hard to explain, but when we loose them you just somehow feel your protector is gone. I know you have so many memories to cherish of your Daddy as you both enjoyed alot of the same things especially making a old piece of wood come to life again, boy was he good at that. I will always remember his tender hearted nature, he was such a humble man. Love and Prayers in the days ahead of you! Judy P.*
