“ I am so very sorry I can't make it to say goodbye, but know that I love you and will always have the fondest memories of you. I think what I loved the absolute most was you were just yourself and no matter what you always let everyone know just how much you loved them. I have to admit there were a few times I wandered just how you made it as long as you did (lol) but you were just being lovable old Jack! We can all be envious of you for you received the greatest Christmas present of all, you got to rejoice and feast with all our family members who have gone on before us, you will be so very missed. Rest easy my sweet uncle

“ *My crazy Uncle Jack, oh how I will miss you! I'll miss those phone calls asking me to look up something I've already looked up 10 times. I'd give anything to have you ask me look something up again and I wouldn't get aggravated. I know you are not suffering now and you are walking around Heaven with papaw and Lula P. I love you!*
