“ I will miss you uncle Jack. You were one of a kind I remember so much about you when I was growing up the sayings you would say. Birds of a feather flock together was one. And how you and dad got along so good he was another brother to you never do I remember you two not being buddies. So many years and it seems like it wasn't so long ago. I know you are at peace now and I'm so glad you got saved and you are going to be with Jesus that is the best thing I was so happy when I heard the news that you had accepted Christ as your savior. May you rest in paradise. I love you. I will miss you.
