“ I have known Jimmy since kindergarten. He lived with his grandmother in Cedar Bluff, Nellie Williams. We became great friends. We rode bikes, mopeds, then learned how to drive in my car. We played baseball, football and basketball behind the Cedar Bluff elementary. We hiked, hunted and fished and traded guns. We went to movies and ate out and rode around with friends. Jimmy's passing has hit me hard. Jimmy was my best friend. God bless him and his mother Lois and sisters, Tammy and Patricia. In the photo of the 5th grade at Cedar Bluff I am 4th from the left in the middle row and Jimmy is beside me.

“ Jimmy was a wonderful friend. I don' know of anyone who met him that could not have loved him. He over came so may adversities in his life yet still kept that sense of humor, that was just Jimmy..... if you needed something he would have gave you the last dime he had even if he needed it. That is just who he was. There are not many people in life that you can say that about. I remember one time he called and I was upset over something, that now seem very small, and he came to my house to cheer me up.....I loved this friend and my heart is broken that he is gone. Life happened and time passed, we didn't see each other as often but he will always be one of those friends that leaves an impression on your life..... I hope to see you again someday Jimmy running through heaven on 2 good legs and no more pain.

“ Jimmy will for ever be missed he was a great friend and was always there when he was needed. He had a great sense of humor and was always pulling pranks as he was calling. He mostly talked about hunting and fishing and the old days but if he wasnt talking about that he was talking about his " lil butternut " and yes he called her " lil " still. He is Loved beyond measure and will be missed more than measure. Rest in Peace Our Friend. Denny and Tina
