

James Paul Carpenski

July 10, 1970 - August 10, 2025

James Paul Carpenski, age 55 of War, West Virginia, passed away on Sunday, August 10, 2025, at his home following a lengthy illness.

James was born on July 15, 1970, in Germany and was the son of Inga Daschmer Carpenski and the late James Francis Carpenski. James was a military kid who traveled with his family for the first part of his life. He was a graduate of Hayfield High School Class of 1988. James worked as a Construction Foreman for several companies and also operated heavy construction equipment. He truly loved operating the construction equipment; he looked at it as a challenge, and he never considered it work. When he wasn't working, he would spend time tinkering with small engines, sometimes repairing them, sometimes not, lol. He also loved working on the farm; unlike most people, he actually enjoyed setting fence posts.

In addition to his father, he was preceded in death by a son.

He is survived by

His mother, Inga Daschmer Carpenski of Triangle, VA

Fiancée, Diana Kay Doll of War, WV

Two Sons

Sisters:

Christiana Chochran and Michaela Wayna

James will be missed by all who knew and loved him.

In accordance with his request, his family honored his wishes for cremation and will have his remains scattered at sea by the military.
