“ Edna, Misty And Family,

I want to say how sorry Gabe and I are for your loss. I also want to apologize that it has taken me this long to even sign the book. Also I am very sorry Gabe and I were unable to make it in from Roanoke; but due to unforeseen circumstances we were unable to get in. You all have always been like family to me. I remember when I would come up to the store and Fuzz would give me a hard time for leaving the car running. He would say "you are just like your mom; you both do not know how to turn a car off." Now, that we have also lost Roger I can honestly say I know how you all are feeling. It's not easy to make it thru everyday. Just remember this was not a goodbye that will last forever. We will see him and Roger again; and all those that have went on before us. If you or Misty need anything do not hesitate to get up with me. I am so sorry and I will continue to keep your family in my prayers. We love you all.
