“ *Bonnie, Tonya, Jamie, Jordan, Zelphia and Pam, I'm still in shock to think that David is no longer with us. I wish that I could have been there to be with you during this most difficult time. Doug and I thought the world of David and thought of him a family, just as we do all of you. We love each of you very much and are praying that God will comfort each of you during this most difficult time. Please let us know if we can do anything or if you just need someone to talk to. Also, know that each hug you receive from Doug is also a hug from me since I can't be there. I love each of you and am thinking of you.*

“ I have not stopped thinking of all of you, since I heard about David. It is such a shock. I remember when we used to come to Elsie's and stay, and David and I would catch lightning bugs in a canning jar.  
My thoughts and prayers are with all of you.

“ *To Bonne, Children, Zelphia, Pam, and Judy, I am so sorry to hear of the news of David. It is just so hard to beleive. I wanted you all to know that I am thinking of you all. My memories go back in the late 50's and early 60's when we would play and "fight" together. Those are such good and precious memories. I would love to be there but Jr. is sick. Our prayers are with you all and we love you.*

*Love,  
Jr. and Bonnie*
