“ Leslie and family I am so sorry to hear about Mike. He was a wonderful person and I will always remember the fun times we had together. He was a great guy to be around and he taught me so much while we are at the police dept together. Thank You for sharing him with us I know we gained enormously from his company. Take care of yourself through these hard times.

“ Leslie, My prayers are with you and your family now. Mike was such a good friend to me, I will miss him so much. Mike got me my job at Moultrie Police Dept and was always there if I ever needed him. We became so close through re-enactments and from work. He was a man that I could look up to and could talk to if I ever needed him. He was like a father figure to me and it broke my heart when he left the police dept. But he left alot of good memories behind that I will always cherish them. Again my prayers are with you. Chanaan

“ *Whither shall I go then from thy Spirit?
Or whither shall I go then from thy presence?*

If I climb up into heaven, thou art there; If I go down to hell, thou art there also.

If I take the wings of the morning, and remain in the uttermost parts of the sea;

*Even there also shall thy hand lead me,
and thy right hand shall hold me.*

If I say, Peradventure the darkness shall cover me, then shall my night be turned to day.

*Yea, the darkness is no darkness with thee, but the night is as clear as day;
the darkness and light to thee are both alike.*

“ Leslie,

You and Mike have been on my mind so much lately. How easy it would have been to send an email. Even though distance sometimes separates friends, the friendship always stays close in your hearts. I have missed you both so much. I wish I could convey how saddened I am at Mike's passing. Brittany, Drew and I send our love and prayers..

“ my condolences to mr. harshbarger's family. i do not personally know any of his family, but i worked at the 911 center in moultrie, ga and remember him as a fine police officer. mr. harshbarger was always willing to go out of his way in his job and for his co-workers. mr. harshbarger was one of only a few police officers that the dispatchers did not mind talking to in reference to a call as he made us all feel that we were all special in one way or another. he will be deeply missed by all.

sincerely,
