“ *Aunt Audrey And Ted,  
You both know how special Uncle Manuel was to me. I thought of him everyday and wished I could be there to visit him more often. I was thinking of when I was just a little girl and would go to the garage to see him. He always gave me gum and .25 cents. He was a great uncle and will be missed so much. He was loved and thought of more than he could have ever known.  
With all my Love

“ *Teddy - I am very sorry to learn of your Dad's passing. I'm afraid it's something that we all cannot avoid. Dad always spoke well of Manuel. I can remember many times through the years when we needed his expertise - and he was always able and willing to help. God bless. Greg...*
