“ *Betty Jo, Kathy and family,
I am so sorry to hear about Don's passing.
My thought and prayers are with you and the family during this hard
time. My fondest memories of Don, I would have to say would be,
the small bottles of coal mining water he would bring me. So sorry I
am not able to be with you and family.*

He will truly be missed.

*Thoughts and prayers,

“ I can only begin to understand the depth of your loss and the range of feelings associated with it. I hope that you can find peace in the knowledge that Don is not in pain at this time. He was such a joy to my students and I as we visited with him at Appalachian Agency. As I watched his decline at Golden Age, I felt such a sense of desolation as I saw his vitality and warm humor fade away. I know watching that decline had to be a devastating experience for you as well. Please know that I lift you in my prayers for peace, comfort, and strength as you face the continuing trials ahead.--April Hess
