“ *Jan was the kindest warmest person I have know plus she was a sensational violinist. My mother loved her dearly and I'm sure she was there with open arms to welcome her into the kingdom of Heaven.*

“ I just heard about Jan's passing today, and I am just so shocked and sad. The McClure family was like my own throughout high school, and Jan was like a 2nd mother to me, always including me in family dinners and welcoming me with open arms at church events. Though I moved away and lost touch over the years, I feel so blessed to have known you all, and I'm sending loving thoughts and prayers to the whole family.

All my love,

“ *To the McClure Family:*

*You will never know the impact you made on a couple from Idaho who were blessed to serve a mission in the Richlands Branch back in 2001. It was truly one of the major highlights of our life to meet and serve with the wonderful McClure family. We missed our family while we were there but you more than made up for it as your family blessed ours and accepted us into yours. We are and will remain grateful for the wonderful experiences we had with all of you. Our love and prayers are with you and know that you understand, as do we, that your family is truly an eternal family and are joined together eternally.*

*Our love and prayers are with you now and forever.
