“ I am very sorry about Janet. I worked with her at RCMC, and she was a good respiratory technician. Her patients all liked her. You will be in my prayers. God Bless you.

“ *Just heard the news. My favorite memories with her has to be all of the summer church trips we'd take. She taught me how to use a lighter to make my eyeliner look liquid. Lol. That was at church too! I know you're with your family and experiencing the greatest joy we'll ever know, but I feel for the ones you've had to leave behind. I pray that they'll feel your love all around them even if they can't visibly see you.*
