“ *Gail and Jean, we were so sorry to hear about Janie, the last time i saw her i told her that we should all get together like we did years ago and spend the night out on the town (Tazewell), she said that would be fun,if we could stay awake that long,ha. I guess things change for all of us when we get older, but on thing that will never change is the good old days that we spent with Janie and the laughs that we all had together, she was such an enjoyable and fun person to be around, i'll never forget her. Love and Prayers*
