“ *I always remember Aunt Jannie's smile and her long braid, from when I was a little girl and my sister, Donna, and I visited Granny in the summers. It was always fun to visit her house up on the mountain and play in Sparkle's playhouse. I still remember her beautiful yard and the view from the mountaintop and mostly how she was always so nice and hospitable to us. My prayers are with all of you at this time and I will forever have nice memories of her.*
