“ Jennifer,

I am so very sorry for your loss. You and your family are in my thoughts and prayers. I remember Jason as a special young man while at CBES. Always had a smile on his face. I hope you receive comfort in knowing that he is making his music with loved ones gone on to a very wonderful place. The last time I saw Jason was at RMS, he came up to me and hugged me. Such a thoughtful young man! I pray for God's peace to help you through this most difficult time.

“ *It is so hard to see a young person like Jason to pass on. I can remember when he was a small boy playing with my granddaughter in pre school. My heart goes out to his mother and family. I was shocked when I heard the news and felt sorrowed. Jimbo*

“ It is hard to describe in words how much i will miss Jason. I will always remember when they announced it at school and tears hit my eyes and my heart. All the sudden the memories came back to me, from Elementary school when we became good friends and were a couple in the 4th grade to when he invited me to his birthday party. I remember when he loved wrestling, and then when his interest turned to music, We had a club for dedicated fans of the band Kizz and we would draw pictures of them and everything. Everything he done would make me laugh, and now to look back and to think that it's over now, it's hard to say that it's over now and that we won't laugh together again until we meet again, His parents were blessed with a Great son and an awesome friend. I hope he knows I love him and will always remember him.
