

Jason Geary Heatley

October 19, 1994 - April 27, 2025

Jason Geary Heatley, 30, of Arvada, CO, passed away at the Lutheran Hospital in Wheat Ridge, Colorado following a brief illness. Jason was born in La Mesa, CA on October 19, 1994 and was the son of Harold Heatley and Jeannie Gilbert Heatley. He had the funniest sense of humor and a smile that would light up a room.

After graduating from Tazewell High School in 2012, Jason followed his passion of photography. As an accomplished photographer, he helped many aspiring models enter the industry. He won many art contests, even having a photograph endorsed by Vogue.

We will carry on this life without him, but as a wise old man once said, "If you talk about them often and rejoice in the memories they left in your heart, they will always be with you." We will miss you, Jason, but we take joy in the last words to your mother, "Ok, love you, Mommy." Rest easy, son. We will see you again.

Jason was predeceased by his grandparents, Kelly Buskell, George Heatley, and Jamelle Walden; and Uncle, Tony Wiseman.

He is survived by:

“ *I fell for you in a way I never expected.
So fast, so deeply, and without hesitation.
There was something about you that pulled me in, something |
cannot put into words.
You captured my heart in a way I didn't think possible.
I crave your attention, your voice, your presence.
You're on my mind from the moment I wake until I close my eyes at
night.
The love I feel for you is constant and overwhelming in the best
way.
It lives in every smile you gave me, and every small moment we
shared.
You made me feel seen, appreciated, and safe.
You filled spaces in me I didn't even know were empty.
You were more than someone I just loved;
you were the very center of my world.
The peace in my chaos, the calm in my storm.
With you, everything felt brighter, lighter, and more meaningful.
My love for you grew stronger every day, and it is hard to imagine a
life without you in it.
You were everything my heart was hoping for.
And I will miss you forever.*
