“ *Donna, What precious memories I have of your mother. Many a night I have spent at your house. I remember: Her checking us out of school to go to Bluefield shopping (that was a very big deal back in the day), going to the movies on Sunday afternoons, going to the WV state fair, going to Long John Silvers in Bluefield for Saturday night supper (that was a very big treat back then). I remember summer church camp and you getting sick and your parents coming to get you and taking me home too (I wasn't sick, but I sure was homesick). I know we kept her awake many Saturday nights watching the Midnight Special and Soul Train. Piano recitals, first loves, Christmas parties: I remember her when I remember these and so much more. Please know that you and your family are in my thoughts and prayers.*

“ *Jean and I were in the same class at Beaver H.S. I remember her very well. She had a lot of personality and was very attractive. The Class of '56 was a good class and I am glad I knew Jean. My thoughts and prayers are with the family.*

“ Donna,

I am so sorry to read about the loss of your mother. Even though these words cannot reach out and hug you, know that you are in my thoughts and prayers. May your mother be at peace and you find comfort in God's care.

Call me if I can do anything.
