“ *We are so sorry to hear about Jeanette's passing. She was a wonderful, kind, caring person, and it was an honor knowing her. We pray that the Lord will be your comfort during this time of sorrow. We will not pretend to know how you feel, but we know it must be hard, due to the fact that we lost Dad in March of this year. Once again you all have our deepest sympathy and our prayers.*

*Love,
The Ball Family*
