“ *Jeanne Fields was a lady that focused her life around her boys and her husband. She was involved in Ian's and Duncan's school activities and delighted in all their achievement. She loved her family and always put them before herself. She will be sadly missed, but will be smiling from heaven at her family and her boys as they become wonderful young men.*

My prayers and thoughts are with you. God Bless.

“ I will continue to keep your family in my thoughts and prayers. As I think about Jeanne, I will remember the beautiful things about her - that infectious joyful spirit, her sweetness. She was a wonderful friend when we were growing up. May you also find some comfort in the memories of her.

“ Brian,

I wanted to leave a message of heartfelt sympathy for you and your family. I can't imagine the pain and suffering endured by you and yours over the past couple of years. I will pray that soon your grief will be replaced by beautiful, happy memories of your wife and the mother of your children. Until then, I pray that Our Heavenly Father will ease the tender broken hearts that weep for her. May peace come over you knowing that she is with Jesus, Our Father, and with friends and family that have went before her. She awaits the day when you all will be reunited in Heaven .

Your friend,
Tammy

We were all so saddened when we learned of Jeanne's passing. I know this a difficult time for you three but find comfort in the fact so many people are praying and thinking of you!

Brian: Please know you are in our thoughts and prayers. Your loss is immeasurable.

Ian: Always remember the way your mom took such pride in everything you did in school and your other activities. When she talked about you her face would light up like a light bulb! She will always love you and watch over you! I feel so blessed to have known her!

Duncan: Mommy may be in heaven, but she is always with you in your heart! Thank you always waving at me when you see me in the hall!!!! I miss seeing you!

“ Jeanne joined our family 18 years ago on June 1,1991. She has touched the lives of so many in her loving and gentle manner-- always full of spirit,love and hope. She lived life to the fullest with a friendly smile and kind word of encouragement. Words can not begin to express the sorrow we feel, but her memory will live in our hearts forever. With all our love and sincere sympathy-- Duck,Nancy & Dusty
