

Jeanne Rachel Sergent

February 10, 1949 - July 23, 2023

Jeanne Rachel Sergent never gave up, she battled idiopathic pulmonary fibrosis with the strength of a warrior. She was 74 years of age when she drew a long full breath in heaven. After high school, she attended St. Cloud State University in Minnesota, where she received a degree in Drafting Engineering. She then attended the Massey College of Business in Atlanta, Georgia, and earned her degree in interior design. While she decided the path for her future, she became a stewardess for Northwest Orient Airlines. The airlines provided her with an opportunity to see the world and meet a variety of people, one of those being her future husband, Gary E. Sergent. One of the proudest moments of her life is when her design for the renovation of the Amherst Historical Society Museum was accepted and built. Jeanne was a loving, kind person who enjoyed coaching soccer when her children were younger, being a member of the ladies quilting society, and supporting multiple charities. Her greatest joy in life came from being with her family, and watching the accomplishments of her children and grandchildren.

Jeanne was born February 10, 1949, in St. Paul, Minnesota, and was the daughter of the late, Russell F. Richardson and Dorothy Phillips Richardson. Jeanne and her husband attended Gethsemane Baptist in Richlands for many years.

Those that remain to carry on her loving spirit include her loving husband of

“ *My mother would have been 75 in February. She passed away on July 23, 2023, from pulmonary fibrosis like her father and aunt before her. Her older brother currently has it also. In her memory, I am raising funds for the Pulmonary Fibrosis Foundation. I will be participating in their annual virtual walk on Sat Sept 30th. Please support research and education by donating \$5 or more to help us walk toward a cure!*
