“ Jeff was one of my first students when I began teaching at RHS. He was always respectful, kind, a good student and had a wonderful sense of humor. After graduation I would see him out and he always asked about my family. He updated me on his life and shared pictures of his son. He was so very proud of. Jeff was one of my most favorite students.

“ Jeff and I went to Cedar Bluff Elementary School together, and I remember having several classes with him over the years. I always enjoyed our conversations and valued his friendship. In high school, we even took behind-the-wheel together. Although it's been years since we last spoke, I will always remember him fondly. He will be truly missed. My heart goes out to his family during this difficult time.
