“ *Thelma, Donna, Lee & girls,
Thinking of you during this difficult time and praying you find comfort
in the wonderful memories you made as a family. I remember one
time Jeff, Tammy and I were playing in the creek down from
Grannie's. We went berry picking for Jerry's wife Suzie when she
was pregnant with JC and I lifted a big rock and a big fish jumped
out and scared me. I dropped all the berries I was carrying in my
shirt and Jeff and Tammy laughed and laughed. At the time I didn't
think it was funny but when I remember that day now it makes me
smile.*

*All my love to you,
