“ *My freshman year college roommate. I never forgot Jeff and was glad to find him on Facebook after 44 years. Jeff took me to meet his family and her and I did some fishing together. We planned to fish when he felt better. I'm sorry not to be reunited in this life. I loved ol' Jeff even though I never nor seen him in over 45 years. Not a surprise that I should love him judging from other tributes I have seen. From the love I have seen expressed, what a success in life he has been!*

“ *Debbie-Children-Grand Children*
So sorry to hear about the passing of Jeff. He was such a sweet man and a respected pillow of the community as well as Buchanan County. He touched many lives. I always view you all as a role model family. The love that your family had for each other also rolled over to others that you came in contact with. Thank you all for being so kind to me and my children. We will always remember Jeff (and his family). Thank you for being a positive part of our lives.

“ Jeff was one of the best friends I ever had. He had treated me and my family like we were his own family. He took me in to his home and made me feel welcome when I was just a kid and gave me a good friend ever since. Jeff truly was one of the most influential people in life and helped make me who I am today. I am truly going to miss him, but I will never forget him or all the years and memories that I was around him. Our hearts are truly sad tonight and our taugt and prayers with his family. “ *Chug, chug, chug - Down the road came the little Renault to Whitewood High School from Jewell Valley way. Jeff and family members unloaded from the car that served as the "Book" for the earliest of Doyle Hodges lessons to his children. Not afraid to slide under the car, get oil on his hands, try one thing and then another with his father's guidance, Jeff learned a skill that he passed on to others in his Auto Mechanics Classes at Buchanan County Vocational School. With a smile on his face, he was always willing to help others, to play his music and sing hymns, get his boat on the lake, caring for Debbie, the children and siblings at all times. Jeffrey, our former student, you will be missed. Arthur and Maxine*
