“ Jeff will always hold a special place in my heart. When he was about 10 years old and we lived in Horsepen and he did to, he would get off the bus and come up to our house and push our daughter Lori around on a little scooter she had or he would play cars with her. She still remembers it. I knew then that Jeff was a very caring and compassionate person because he showed that even as a young child. My prayer is that he is in heaven rejoicing with Nan, Pop, Grandma, and his Dad.
