“ *i miss you forever dad, its been bad recently and all i can think about is you. i turned 21 this year, and I'm an assistant manager too. you are my favorite to this day and i don't think i will ever love anyone as much as you. i wish i could see your smile again and watch wrestling with you and eat red flower and listen to music in the truck. i wish i could have some more time with you. i wish i didn't leave things the way i did before you left, but I've learned not to feel guilt about it. i just hope that you knew i loved you. i didn't show it a lot the last few months you were here, but i loved you the most. you always made me feel so loved and you always had my back. i can't wait till i see you again. thank you for giving me the best almost 13 years of my life. I've forgotten some things about you but i'll never forget the love we had for each other.*
