“ Our hearts are broken today. Denice and her late brother Gary were some of our special church and kids choir members when we first came to Canebrake back in the 70's. Denice was always a fun living, smiling person. She was at our house quite often. We loved her.

“ I am so sorry that she is gone. All she ever wanted was someone to love her. I feel we could have been better friends if life had not taken us in such different directions. There was an innate goodness to Denise that let her treat everyone as though they were her best friend. I feel such sadness that her life has ended. You have all my sympathy and prayers.
