“ *Jeremy was always there for me. Down to helping me with Chloe. He was always a listening ear for me in trying times. I considered Jeremy the younger brother I didn't have. I can't believe hes gone. I will never forget his smile. I can't help but think of all the good times we have had together. Tryin to find the ball of his lip ring or the "pocket night". All of our late night guitar hero nights will forever be carved in my mind. I love you Jeremy and I will always miss you! Kathy, Jeffery, Brandy, and Hayden I am only a phone call away. I love you guys ur like my second family. God Bless!*

“ *I'm so sorry about your loss. Jeremy and I were friends from way back when he lived in Oxford Square. He was the sweetest person ever. He was so nice to me. He has always been a great friend to me. My thoughts and prayers are with you and your family. I will miss him so much its unbelievable. He meant the world to me. I know hes up above now in a better place. I hated to see him go like that he was the same age as me. Jeremy RIP I miss you so much!*

“ *Kathy and Family, My heart aches for you and your family in the loss of your son. You are in my thoughts and my prayers. Time and prayer are the keys to healing pain. The pain never goes away, but it does become bearable. We never understand why things like this happen. Trust in the Lord to give you peace and love at this time. With love and prayers, Lynda Bevins*
