“ Jerry, you were an amazing big brother, uncle, friend, and you will be missed each and every day! You were so many more things to so many different people. Your life and story touched so many lives, and will continue to do so. You inspired hope, and fought to the very end, for your family! Until we meet again, words cannot describe how much we will miss you. We love you, Becky and Logan

I grew up with Jerry from the time we were eleven or twelve. There were times he would walk me home so the boogers wouldn't get me. I lived in the first house on the hill. Thank you for being a great friend. Until we meet again.

“ *This is so sad! My heartfelt sympathy and condolences goes out to the family. He was a great man and a great friend who became family to us. He was the type of man that would give the shirt off his back to someone in need. We miss him dearly. His wings was ready but our hearts was never prepared to see such a good person leave us.*
