“ Sue, Bryan and Darren

Our deepest and sincere sympathy to each of you at this most difficult time.

I have known Sue & Jerry all my life, they were my neighbors when they first got married and Sue was my neighbor long before that. Jerry worked with my Jerry for years, we just thought the world of your entire family. Bryan and Darren went to school with our kids. As a matter of fact, we love you guys and was so proud of Darren when we found out he was going into the ministry. Wish we could be there in person to tell you how much each one of you mean to us. We will be praying for your family and asking God to give you comfort and peace. Just trust in the Lord and He will help you thur this. We do love you.
