“ Jerry was right with Rex and I picking Cherries, berries, apples or whatever Aunt Alta needed to take to sell. Loved the times we spent riding the back of the pickup going to War and roaming Bearwallow pretending to be hunting coons with old Watch. And digging and twisting groundhogs. I so remember the night we got sprayed by a skunk in an old creekbed. Whew! My heart is so saddened by this horrible loss to Connie and Amanda and vonne.

My love and prayers go out to the entire family. Please don't hesitate to call me if I can be of help in any way. I can remember Mom saying that Jerry was a quiet and humble person and that he would help with what ever the cause. Mom,Dad and our entire family thought the world of Jerry and the entire family. I guess growing up on the mountain had that effect on us. Keep him close to your heart and his spirit will always be with you. I pray God will give each comfort and understanding especially in the days and months ahead. I also pray for sweet peace and understanding for the young grand daughter Danika.
