“ *Bessie, Gwen and Roger:*

*I am so sorry to hear about Jessie. I wish that I had been able to visit when I was up at Christmas time. Please know that I will be praying for all of you. I hope that you will be strengthened by God's love and presence in the day to follow.*

*I think of all of you often. I remember growing up in East War and almost living at Uncle Bill's and Aunt Willie's house. You were like family to me. There is not a time that I come to War that I don't look up on the hill and think our younger day. I remember how Jessie and all of you would laugh about things. She had a great sense of humor.*

*My love and prayers to all of you.*
