“ *To the family of Jimmie Keen:*

I just wanted to let you all know that I am so sorry about the loss of Jimmie. I used to work for Dr. Thakkar, and got to know him there. He was such a sweet man. The last time I saw him was in August at the hospital after one of his treatments. I always ask my friend who still works for Dr. Thakkar how he was and she told me just last week that he was not doing well and we were going to go to Grundy and see him. I am so sorry we did not get there before his passing.

Just know that your family is in my prayers, I know how it is because I lost my mom in May and my dad in July. It is difficult, but it is easier knowing that they are not suffering any more.

God Bless.
