“ Jason and Aimee,
I was so saddened to hear about Jimmy. I could not believe it when Mom called me. When Mamaw Edna passed away, Jimmy was the first one to come to me at the hospital. I have always held that as a fond memory, that he was there for me in the time of that loss. He will be deeply missed and always loved. I just wanted you all to know that you are in my prayers and in my thoughts. I would love to hear from you all sometime.

“ Aimee,

*We are all so very sorry about losing Jim. We met Jim as Morgan began practicing with him to learn to pitch. Words cannot describe how wonderful he was with her and the confidence that he gave her when she was with him. He was the ONLY person who could give her confidence, just by her knowing that he was there. Our family has gotten really close to your dad over the last few years and will miss him terribly. Our hope is that he knew how very special he was to all of us and how much we all loved him.
Our thoughts and prayers are with you today and forever*

“ Aimee,

When I heard about your dad, I was floored. I had just seen him at the ball field the other night. I only really knew him from umpiring Little League softball but he was one of the calmest people I ever worked with on a ball field. And he loved the kids.

He was always quick to tell me how you were doing and his pride in you was like a light shining on his face.

I will miss him.

“ Here's to my Kool uncle Jimmy, the one that reached out to me...took me trout fishing at Big Tumbling...played pink panther on the guitar for me...played tennis with me, well sort of (you chased the balls around anyways)...gave me my first rock album (Jimmy Hendricks)...and took me to my first arcade and gave me a roll of quarters. You were/are the best uncle Jimmy and you reached out to a lonely little kid one time (me) and gave me a lot of firsts. I will never forget you.

*With all the love I can muster,
