“ I remember John singing “Til the Storm Passes By” at revival. When he sang the words....”When the long night has ended and the storms come no more, Let me stand in Thy presence on the bright peaceful shore”.....I could see him standing on that shore with a huge smile and bowing down to His Master. He loved the Lord and served in the ministry as a faithful steadfast servant. His revivals had a packed church. When the church was not packed on Sunday mornings by people, it was packed and overflowing by God's love. He always looked forward to his homecoming. It has come. He will be greatly missed.
