“ *Dear Linda: I just this morning learned of Jake's death. I am truly sorry that I did not know in time to attend services. Jake was so blessed to have you for his wife. You took such great care of him. I love you both. I will keep you and your family in my thoughts and prayers. Judy*

“ *Linda, I am so sorry to hear about Jake's death. Although we had not been close in many years, he was part of my childhood, and it makes me very sad to know that he is gone. I have been thinking a lot about being in his home when I was young, and I have some very good memories about growing up in Grundy and about our grandmother. I hope you and your children and grandchildren can make it through this very hard time. Sorry I could not be there for the service.*
