“ *Have a smoothe journey, Thunder. Don't run into another train on the way like you did back in '71.*

“ *My sincere sympathy is with each of you at this sad time. I have fond memories of being in the McCloud home on Kents Ridge in our school days. I've always admired the big close knit McCloud family and will always remember that the younger children seemed to always look up to their big brother John. My thoughts and prayers are with each of you. May you have peace in knowing that John can rest in heaven now with no more sickness.*

“ I am so sorry for your loss. John was a close friend to my deceased husband Butch Hale. He was truly a friend to Butch. Those two got into a lot of situations that only they could cook up. Butch passed in 1979. They will have all the time in the world to catch up. I am so glad there is a heaven for them to enjoy the things they love so much. You are all in my prayers/God comfort you and give you peace.
