“ *To John's family,*

I worked with John for many years at Cumberland/Dominion Bank. I was his banker when he worked at Cermaic Technology. John was such a happy person to be around. Always enjoying work and life. He will be greatly missed.

The family will be in my prayers.

“ *Many times John and I have talked about this in a joking way. But
now reality as hit, and its very hard to deal with. I hope that you his
family can find peace in god. John was the only true friend I had he
has talked with me many time and helped me with problems. Just
the way John has done with all of you his family. I feel like part of his
family. John made me feel that way. John will be missed but never
forgotten he will live in our hearts and minds.*

We love you John
