“ *Harold, Diane, and family:*

I am so sorry for your loss, it hurt my heart when I was informed. Dillon and I grew up together, lots and lots and lots of fond memories with him. From basketball, to riding motorcycles, to baseball and whatever else we could do/play, as kids we pretty much did it all together. Harold hauled us all over the place to play baseball and always took good care of us and I know at times, we were a handful to deal with! Although we drifted apart over the years, I often thought of him and where he was in life. He will surely be missed.

My thoughts and prayers are with you and your family...

“ I had the pleasure of working with him a few years back. One of the best guys I've ever met. He talked about his family every chance he could and was so very proud of all his kids. I'll sure miss that half cocked grin he seemed to always have. RIP Dillon. Have me a dozer warmed up when I get there buddy.
