“ I was deeply saddened by John's passing. John was my co-worker
for 37 years but was also a friend. In those years there were good
times, bad times, happy and fun times and unfortunately in the
profession often extremely sad times. When going through all those
things for so long you practically feel like family. May you rest in
peace an know you will not be forgotten. My heart goes out to his
family and may God be with them.
