“ I don't even know where to start. This has been such a shock. I do know one thing this is another hole in my heart but I know god needed you. You will be so missed. Donnie said "honey I like Jonathan he's so funny and I think we need to all do something together". That was after we seen him at the fair. So many times we seen each other out and about. Never found the time to get together as our family use to. Its just been hard we all get caught up in our jobs and before you know it 10yrs has passed. It doesn't matter how long it had been since everyone got together, were all family and love each other today just as much when we did get together all the time. A loss of a family member is never easy but this is one of the hardest because of the love you showed toward us all. So much more I wanna say but it would take alot of paper just because of the person you were. Jayme and little jb im so sorry aunt Kathy I wish I could reach to heaven and bring him back for you. Sis Nathan and Cassandra idk what to say cause the pain will always be there. We will see him again until then remember the good times. Boy I do the fun we had when we were kids is unforgettable. I love all of you and hope your pain will ease soon.
