“ *It's been three years that you have passed and all I can say is I miss you so much. Things have changed so much. I have a son, your grandson and it sadens me to know that he will never get to met his grandfather and you will not get to see how smart and funny he is. People say he looks so much like you and I agree. When he grows up and we are in the yard passing a baseball around I will tell him I use to do this with your grandfather when I was a girl and that you showed me how to pin Taylor down when we would wrestle around in the house. He is gonna know what a wonderful person you was and that you are looking down on him each and ever day making sure he is safe. I love and miss you so much, I wish you was here to be apart of our lives again. Words can not describe how I feel. I will always be your Angel and your little girl. One day we will meet again and you will get to toss the baseball around with your grandson. Love and miss you always!!!!!!*

“ *I met Wes 5 years ago through Shawn Tuggle. The one thing that I truly loved about Wes was that he was a True Gentleman! He loved Women - all shapes and sizes. He was by far the hardest working man I knew. When Shawn and he came to my mothers house to do a siding and concrete job, my mother gave him a charcole grill and you would have thought that she'd given him a million dollars. By far the most real individual I have ever met. He will surely be missed.....No one and I mean NO one called me "Honey" quite like Wes.*

*We will see each other again....I just hope the man upstairs doesn't mind if I wear a low cut shirt just for Wes!*

“ Wes (Jonathan) will truly be missed. This sad event has come as a shock to us all. Words convey so little when the heart is in pain, but we pray that you will have peace knowing that Wes will always be with you in your hearts and memories and that he rests in a better place - and you'll all be together again. May God be with you and bless you all. Tears will be shed and smiles will be shared when thinking of you Wes...please be sure to find my momma after you find your brother and other family members and give hugs and love from all of us left behind to wonder why the good ones are called upon at such an early time.  
Wes...you will be thought of often and will never be forgotten "Honey".

“ Becky, and Sizemore family, I am so saddened by your loss. Jonathan was always sweet and kind to me. Becky, I remember Jonathan was always smiling and happy when you and I were hanging out and I'd be over at your house. I only have good memories of him.  
  
Please know that I am keeping you in my thoughts and prayers and love you very much.
