“ Seth, you was always one of my very best friends. We grew up together man, No matter how long it had been since we seen each other we would pick right back up. I hate this so very much, Life takes us in different directions when we grow up.. Gone to Soon My Friend. Watch over us all.

“ Seth was very good to me. I thought of him as a great friend. The thing I remember most was that one day I asked him what his middle name was and he said " Seth ". So from then on I called him Seth Seth. I will miss you sweetheart and I will see you again.
